

How to find us!

DAPA Classes are at Goodwin Academy

The postcode for Goodwin Academy is CT14 9BD, but this will take you to the main school entrance in Hamilton Road - DAPA uses the back entrance to the school which is in **Mill Road**.

You need to drive past the main school gates in Hamilton Road (on your Right), then turn right into Mill Road (the Co-Op is on the corner!). a couple of hundred yards up on the right you will come to the back gates of Goodwin Academy.

Drive through the gates, there is parking and then a short walk across the playground to the large building on the left.

We are not in the main school building.

The building with the Dance Studio and Sports Hall is separate from the main school building. You will see picnic tables outside the entrance.

We encourage children to be dropped off and for parents to wait outside (or in cars) as space in the corridor outside the dance studio is limited.

We only have access to the school twenty minutes before the first class of the day – please do not arrive any earlier as teachers are still working and the cleaners are preparing the studio for us!

Please note that on Saturday mornings the Mill Road Carpark can get very busy with the Football players. On their busy days there is a designated parking area for DAPA – from 9am to 12pm – at the far end of the HAMILTON ROAD Carpark. To get to this area please drive through to the far end of the carpark, through the gate and onto the playground area.
